BVN/SS/PRIVATE VANS/CABS/96/2018

31st December 2018

Circular

Dear Parents,

1. Further to our circular BVN/SS/Private Vans/Cabs/75/2018 dated 05th July 2018.
2. The Hon'ble Supreme Court of India, Directorate of Education and the school is concerned about the safety and security of children. Time and again you have been asked to ensure hiring of registered vehicles (with series DL1K) only for your wards commuting to and from school.
3. It has been observed that still some of the parents have hired unauthorized vehicles for the above showing very casual approach towards the safety of their own children. It is necessary to highlight here that the majority of these vans are being operated without taking adequate measures towards the safety of school children. Most of these vehicles are overloaded carrying 14/15 children and do not adhere to traffic rules thus jeopardizing the lives of school children. It is the responsibility of the parents to hire the registered cabs & driver of the van/cab who has valid driving license authorized to ply the vehicle for school children and follow Hon'ble Supreme Court guidelines for safe ferrying of children to and from school.
4. Parents are once again requested to ensure the above before hiring a cab. School will not be responsible for such vehicles/drivers. Children travelling in unauthorized vehicles will not be allowed in school.
