Events:

NURSERY & KG

Mother's Day : The children sang songs and a PPT of children performing various activities was shown. Mother's played games organized for them and were gifted hand bags made by children as a memento.

Honouring People Who Help Us: To acknowledge the efforts and sensitize children about the people who help us in school, Labour Day was celebrated. They were appreciated and 'Thank You' badges were given to all the helpers.

Summer Carnival: The children enjoyed the following fun filled activities

- Puppet Show
- Tattoo making
- Art & Craft—Sponge printing
- Blowing bubbles
- Dancing

WALL JOURNALS

Labour Day

In order to teach children to uphold dignity of labour and respect each profession, 'Thank you' cards were made for all the helpers in school.

Awareness on Vector Borne Diseases

Aim: To create awareness in children about the vector borne diseases, their causes and the precautions.

Class discussions were held, followed by slogan writing. The children went for a silent march in the neighbourhood conveying the importance of keeping the surroundings clean to stop the breeding of mosquitoes and save oneself from vector borne diseases.

To have an expert view on the topic "Meet with the Doctor" was organized.

Activity : Sense Organs (E.V.S)

- An activity was held in order to sensitize children about the importance of the five senses and the sense organs. Objects related to sense of touch, hearing, sight, taste and smell were shown to the children.
- Life Skill : The students labelled their belongings by putting tags on them. The children presented a song on responsibility during morning assembly.

Special Assembly:

Class 4A put up a special assembly on 'Dignity of Labour'. Through the assembly the students highlighted the importance of different professions.

Classes 3, 4 & 5

Activities: Under the guidelines of the Directorate of Education to create awareness against the spread of Dengue and Chikengunia, many activities were taken up.

The students of class 5 went on a neighbourhood walk with placards and posters showing ways of combating the diseases.

Class 4 took part enthusiastically in a quiz on Vector borne diseases.

Class 3 showed their artistic abilities in a drawing competition based on Vector Borne Diseases.

Achievements:

- **Ramjas School, Daryaganj** organized a creative writing competition. Anika Chaturvedi of 4B was awarded the consolation prize in the English Category while Prajna Singh of 5F bagged the 3rd prize in the Hindi Category.
- **Air Force Golden Jubilee Institute**, organized a computer competition 'K turtle', Aarav Abhilash of 4D bagged the 1st position.
- At the Digital Poster Making Competition organized by **Air Force Bal Bharati School**, Lodhi Road, Tejas of 3C and Arush of 3D were awarded the 3rd position.
