

DO's and DON'Ts for students attending the classes on ZOOM.

1. Students are required to join the classes on ZOOM by using their real names instead of pseudo names.
2. Participants having pseudo names will be instantly removed by the teacher of respective class.
3. The student is expected to join the class only at the scheduled start time, failing which the student will not be able to join the class as it will LOCKED by the teacher.
4. Children are expected to keep their audio muted/off all the time unless the teacher instructs to unmute.
5. If they wish to speak or ask a question, they may use the "raise hand" feature that is available at the bottom center of the screen.
6. They may ask questions using the "Chat" feature available (also on the bottom and center of the screen).
7. We expect children to behave the way they do when they are attending the classes in the school – in terms of maintaining discipline.
