Students are taught Korean phonetic, vowels and symbols. The teacher makes it an interactive class where students are encouraged to draw symbols and speak out phonetics and vowels to learn correct pronunciation.	36 students of class VI and teachers: Kritika and Preeti Ravi Pramila S
15 th May,2020	Special Assembly Theme: NaiUmang - A New Ray	A splendid start to the day with a first of its kind Radio show on ZOOM, curated specially for the viewers by students of 12 th G&H to provide fun and frolic, some entertainment to break the monotony of quarantine life. NAI UMANG, hosted by the school's very own, extremely lively and engaging radio jockeys ArmaanMathur(12-H) and Abhimanyu Sharma(12-H), is a symbol of hope, togetherness and strength in these	Class: 12 th G & 12 th H Incharge Seemadutt

		tough, unprecedented times, all pointing towards a new beginning, a metamorphosis of an approach towards positivity. The programme began with the national anthem, thereafter reporter- Gul Mathur(12-G) provided the listeners with their daily dose of news from all around the globe, which was followed by an inspiring Thought from ParinitaLohia(12-G). Then came an enchanting musical performance of TERI MITTI from the movie Kesari by Shaina Bhowal(12G). Next up was a mesmerizing instrumental re-creation of AND I LOVE HER by the homegrown musicians Arya Anand(12-G) and Tripti Arora(12-G). A delightful piece on the Tabla by Satvik Sharma(12-G) took the show forward and with a truly graceful dance performance, the very talented Anisha Gupta(12-G) brought the proceedings to an end with a bang indeed. The programme concluded with the Principal sharing some wise and encouraging words with everyone present. -aryaanand	
16 th May, 2020	Inter class Debate	The Economics department of our school held an informal debate for the students of class 12. The activity was a great success. Three students from five section of class 12th(12D, E, F, GH,A) were selected. Every team was given a different topic. Each team had 3 minutes to speak on their topic after which a nominated team would ask their questions pertaining to the points made by the speaking team. It was really an interactive activity with limitless learning. With many students joining to view their classmates and to learn new things also motivated students to perform even better. After the activity was over, teachers gave their reviews which helped students recognize their strengths and weaknesses. The response from all the students was amazing. Over-all it was a great learning experience.	12 th A,D,E,F,G, H
