

The two-page Online TOI Student Edition continues, 5 days a week with activities to keep you engrossed in an interesting manner.

Some highlights of what is to come:

1. Comic strips, crosswords, puzzles, news, sports, features on movies, books and environment issues, space and technology, news and interviews of your favourite icons.
2. Parent- child activity is just going to get bigger and better. We plan to engage with grandparents too!
3. Hobby classes and how to master DIY with a step-by-step guide.
4. Articles from experts on how to develop communication and writing skills.

To access:

1. Simply login to www.toistudent.com
2. Click on the Online TOI Student Edition PDF pages that you see on the home page. Enter your email id and there! The page is ready for you to view and download. If you want to view pages from the past, click on 'Archives'.
3. To do more on the website and participate in a plethora of activities online, register by clicking on the 'Login' Button under the Times NIE logo on the home page. Just add your details and click on submit.

Add-ons on the website:

1. Videos of experts and webinars to break down academic concepts for you.
2. Fitness and lifestyle videos and snap shots to make these vacations feel special.
3. Games and to-dos on the website.
4. A fresh quiz and puzzle to participate in, ji every day!
5. Collaborative writing and essay competitions.
