

Dear Parent,

You are aware that your school BVN faculty is putting in all out efforts to maintain excellence in Education.

However though the Lockdown is over yet the Govt has advised not to charge Ancillary & Development charges.

Tution Fee alone cannot meet the expenses of even the Salary of staff. A private school cannot survive if it is not allowed to charge Ancillary & Development charges.

BVN, therefore, is facing financial crisis & unable to pay salary & benefits , maintain its properties, plants, services on day to day & periodical basis. BVN is unable to meet it's commitments.

In order to bridge the financial gap partially & save the staff, properties, plants & services , BVN requests to pay Fee Bill with Ancillary Charges @Rs.1200/- p.m. from September 2020 onwards.

However, if the Order is finally upheld at other Forums of Appeal, the Ancillary charges will be adjusted in future Fee Bills.

Co-operation and support of Parents is solicited, as always.

Best Wishes

For **Birla Vidya Niketan**

Principal
