Regarding school reopening for classes X and XII

1. Students need to come to school only on the days and time when they are scheduled for. The schedule has already been sent to you.
2. Parents to make their own commuting arrangements. Children may commute on their own, if parents wish to. Request that children should not be sent to school driving their vehicles themselves in case they do not have the driving license.
3. The last session's school id/Adhaar card of the student will be checked at gate.
4. Students to come to school only with their parents' permission. Online permission be given thru the form already sent. Children must bring their parents' written permission note on the first day when they come.
5. The school is taking adequate measures for Covid related safety:
 - Orientation for students will be done on Monday evening'
 - Thermal screening and hand sanitizing of all will be done at gate,
 - Sanitizers will be available at all places. Students may bring their own sanitizers too,
 - Students are being called in batches of 12 to 18 students only even though our laboratories are very big in size,
 - Students will not be allowed to roam around, or congregate in common areas or toilets,
 - In case need be, students must bring their own eatables and water,
 - Toilets will regularly be cleaned and sanitized,
 - Students must wear fresh and appropriate masks at all times. In case required, students may buy masks from school,
 - Students may wear face shields, PPE kits also in case they wish to,
 - Nurse and Counsellor will be present on all days,
 - Physical distancing will be enforced,
 - A quarantine room will be available in case of any emergency,
 - In case of medical emergency, if any, parent(s) will be informed and the child will be taken to hospital. The expenditure will have to be borne by the parents,
 - Entry of guests/parents will be restricted and allowed only if it cannot be denied,
 - The building/rooms/labs will be adequately sanitized before and after each use,
 - Fresh batch in a lab/room will be allowed only after it has been sanitized,
 - Entry/exit will be through different routes,
 - Posters on Covid Appropriate Behaviour will be put up in the campus,
6. Children need not come to school in case they are living in the containment zone or are unwell or are having Covid related symptoms,
7. The school will take all possible measures to ensure safety. Parents' role is very significant in this task. We request all parents to explain to their wards not to indulge into any inappropriate behavior (both Covid safety related and otherwise). These are big children and should be able to understand the gravity of situation. Any misbehavior will lead to immediate expulsion. Parents will have to come and take their ward,
8. For class X- Highest marks in any two out of three exams will be taken for the internal assessments, and also for class XI stream allocation in case required.
9. For class XII- The date sheet for pre-board exams is being made keeping JEE in mind. For those students few exams may happen after 18th March.
