Test Taking Process

After joining zoom meeting (links provided) for your class , Go to the test link: <https://www.assetdynamic.com/index.php>

STEP NUMBER	DETAILS	Reference image
1.	Click on the 'Take Test' button on the page	
2.	Enter the 4 digits 'Test Code' and click on 'Next' button	
3.	Enter your 'Student ID' and click on 'Submit' button. Login ID for the test will be the same as your school admission number/Scholar Number.	
4.	Verify your details and click on the 'Confirm' button	

5.	Read the instructions carefully and start the test by clicking on 'Start Test' button. On clicking the Start test button, you will land at the testing Interface	 <p>The test consists of 14 Questions. The time available is 50 Minutes.</p> <ul style="list-style-type: none"> You will score one point for each correctly answered question - no points will be deducted for wrong answers. You can see the time remaining on the top of the page. After selecting an answer, go to the next question by clicking on 'Next Question'. You may jump to any question simply by clicking that question number on the left bar. You can change your answers, too. If you are unsure of an answer and want to come back to the question later, you may click on 'Mark' the question. A marked question will be highlighted in orange. Click 'End Test' when you have answered all the questions. <p>Start Test</p>
6.	After clicking on your answer, click on 'next question' (red arrow) to move to the next question. You can also mark a question by clicking on 'mark' (black arrow) for reviewing at a later point, before submitting the test	 <p>ic lights have timers to show how much time is left for the light to change colour. For example, in the wn here, the number 48 indicates that after 48 seconds, the red light will turn green.</p> <p>such a timer help?</p> <p>ws people to save fuel by switching their vehicles off. ps the policemen catch people who break rules at the crossing. ps people to know the amount of traffic at the crossing at any time. ws the policemen to measure how fast the vehicles are moving at the crossing.</p> <p>Next Question</p>

Instructions for ASSET Test:

1. The URL for the test is: <https://www.assetdynamic.com/>
2. We recommend the students to take the tests on computers or netbooks or on tablets (with screen size 9 inch or greater).
3. ASSET (Computer Based) works on the latest version of Google Chrome, Mozilla Firefox or Internet Explorer. Please avoid Safari browser for the tests.
4. The internet bandwidth required by the students is 2 Mbps. This is needed to ensure the smooth conduction of tests.
5. On the test dates, students are required to join the Zoom meeting. The test will start sharp at the time shared in the schedule.
6. The **test code** will be shared in the meeting.

7. The students will require a **student id** to start the tests. Student ID for the test will be the same as your school admission number/Scholar Number.
8. If in case a student gets logged out of the test, the student can resume the test from the same or another computer/tablet using the same details as used to start the test earlier. Please **inform in chat by writing your name, roll number and class with section**. The test facilitator will enable re-login for the student to resume the test. The student will be able to re-login and do the test from where he/she had stopped.
9. We strongly recommend the students to go through the instructions that will be presented to them on ASSET test page before starting the test.
10. The students are suggested to **NOT** click on '**End Test**' option unless they complete all the questions. Once they click on **End Test** option, the test will be submitted and the student will not be able to reattempt the test.
11. The students are suggested to **NOT** change window tabs during an ongoing test. It may disrupt the test and close it. Also, please avoid refreshing the test page.
12. Each student gets a different set of questions which are dynamically generated.
13. The students are suggested to attempt all the questions. There is **no negative marking** in the ASSET test.
14. To access the reports, the students will be provided with an **access code** after the tests. The same link will be used for accessing the reports as well.
15. Please keep the Zoom app downloaded in the device you will use to join the meeting.
16. Please keep your cameras **on** during the meeting.

Duration of the tests:

Subject	Class	Total Questions	Duration (mins)
English	3	35	50
	4	50	50
	5	50	50
Maths	3	30	50
	4	40	60
	5	40	60
Science	3	30	45
	4	35	45
	5	35	45

We wish you good luck for your ASSET tests!
