16 <sup>th</sup> May 2023	Educational Visit	12 <sup>th</sup> grade Legal Studies and Political Science students visited the Delhi High Court and observed the various kinds of proceedings that take place on a daily basis at the Delhi High Court. The students were able to hold a conversation with Mr. Santosh K. R. Tripathi, from the Standing Counsel Government of NCT of Delhi, who enlightened the students on the salient demarcation between the original and appellate jurisdiction of the High Court. The students also engaged in an extensive discussion with Mr. Anurag Ahluwalia, from the Central Government Standing Counsel and Counsel of CBI who provided deep insights into the proceedings that take place in the court, along with a list of courtrooms that the students must visit. The highlight of the day was witnessing the hearing of a criminal case.	Class 12 <sup>th</sup> Legal Studies & political Science
17 <sup>th</sup> May 2023	World Telecommunication and Information System Day	World Telecommunication and Information Society Day (WTISD) is an annual observance held on May 17 <sup>th</sup> to raise awareness about the importance of telecommunication and the Information Society. It is organized by the International Telecommunication Union (ITU), a specialized agency of the United Nations responsible for information and communication technologies (ICTs). Each year, the event focuses on a specific theme related to the role of ICTs in society which highlights different aspects of the information society and addresses relevant issues faced by the global community.	Students of classes 6 <sup>th</sup> – 9 <sup>th</sup>
19 <sup>th</sup> – 20 <sup>th</sup> May 2023	Book Fair	To celebrate the joy of reading books and to inculcate reading habits among the students, BVN organised Book Fair within the school premises for two days 19 <sup>th</sup> -20 <sup>th</sup> May'23. It included diverse selection of books from several categories to motivate the readers.	BVN students, parents & staff
20 <sup>th</sup> May 2023	Alumni Meet	An Alumni Meet was held on May 20 at BVN. The agenda of the meeting was to invite suggestions on defining the contours of BOSA as an alumni body, strengthening its network and role as a support community for BVNites and arrive at a consensus on making it a registered body.	BVN Alumni & Staff
20 <sup>th</sup> May 2023	ATL	During PTM Young children of ATL Club showcase their work with tools and equipment to demonstrate the concepts of STEM (Science, Technology, Engineering and Math). Parents and children got a chance to see innovations and inventions by students.	BVN students, parents & staff
20 <sup>th</sup> May 2023	Interact Club	In keeping with the theme of the 'International Millet Year' the Interact Club in collaboration with the Home Science Club organised a Ragi Bake Sale on the PTM, wherein the students of the Home Science Club prepared Ragi cupcakes, cookies, muffins and Ragi Chocolate Shake. The parents were extremely delighted to buy these goodies, which were not only appetising but also healthy.	BVN students, parents & staff

20 <sup>th</sup> May 2023	Sale of products made by students on Parent Teacher Meeting	Entrepreneurship and Skill Development Committee of Birla Vidya Niketan arranged the sale of products made by students. The students made bookmarks, baked products, pens with newspapers, paintings, and pots. A portion of the proceeds was donated to Inayat- The School Interact Club. The objectives of fundraising, skill development, and community engagement were effectively met and appreciated by the parents.	BVN students, parents & staff
20 <sup>th</sup> May 2023	Eco Club	Taking action on waste, eco club students along with Birla Green and Biology students extracted the first instalment of Bio Compost. The total quantity extracted was 200 kg. The quality and quantity generated through compost bin that was set up few months ago was quite impressive.	BVN students, parents & staff
21 <sup>st</sup> – 24 <sup>th</sup> May 2023	In Communion with Nature - A Trip to Ramnagar/Corbett (Leadership Camp)	64 students from class IX spent four fruitful days in the lap of nature at Ramnagar-Corbett Park, Uttarakhand. They were kept engaged in various activities like the nature trail, river walk, body surfing, cycling, bird watching, and hill walk. Besides gaining knowledge about local flora and fauna, they observed various bird calls and experienced the interdependence of different elements of nature.	64 students of class 9 <sup>th</sup>
21 <sup>st</sup> – 24 <sup>th</sup> May 2023	Educational Trip to Nahan	Birla Vidya Niketan organised a trip to Jim Corbett National Park. 102 students became part of this excursion. The trip saw a myriad of adventure activities and a community exchange programme, which involved cleaning drive and interaction with the villagers and the locals. The students thoroughly enjoyed doing tasks involving team building and sportsmanship and participated in adventure sports such as zip lining, bodysurfing, and a guided nature walk. They visited Girija and Naina Devi temple and spent quality time at Kosi River and Mall Road. The early morning jeep safari was highly fascinating and rejuvenating for all. These memories will be cherished forever.	102 students of class 8 <sup>th</sup>
22 <sup>nd</sup> – 25 <sup>th</sup> May 2023	Educational Trip	The trip aimed to provide the students with an immersive learning experience encompassing adventure, environmental awareness, and team-building activities. The students participated in adventure activities like Zip-Lining and Burma Bridge and spent their first evening in karaoke and dance activities. The trip not only broadened their knowledge but also developed their interpersonal skills, self-confidence, and appreciation for nature.	73 students of class 7 <sup>th</sup>
22 <sup>nd</sup> May 2023	Educational Visit	The students of Birla Vidya Niketan, Class 12-A, visited the Central Forensic Science Laboratory to gain a comprehensive understanding of forensic science. The visit included an explanation of principal and application of different types of firearms, explosives analysis and spectrometry and fingerprint analysis. The visit to the Central Forensic Science Laboratory enriched the students' knowledge of forensic science, inspiring them to pursue careers in the field and highlighting the crucial role forensic science plays in solving crimes and ensuring justice.	Students of class 12 <sup>th</sup> A

24 <sup>th</sup> May 2023	Interaction with Mr Matthias Stähle	Mr Matthias Stähle visited our school and interacted with students of class XI who are going to give the DSD - German International Exam in August.
