CELEBRATIONS				
3rd October 2023	Life Skill Activity	Children learnt to clean and organise their work space like their tables and lockers.		Students of classes I & II
10th October 2023	Mental Health Day	Students made posters on topics 'My Leisure Time Activity' and 'Things I do when I am happy'.		Students of classes I & II
11th October 2023	International Day of Girl Child	 A video followed by a discussion was shown to the students to create awareness about the rights of girls and the specific difficulties faced by them worldwide.		Students of classes NUR to V
16 th October '23	World Food Day	Students of classes Nursery and KG made beautiful posters on healthy eating and avoiding wastage of food.		Nursery-V
		 Students of grade I and II indulged in Poster Making Activity. Through their drawings, students created an awareness on healthy diet, zero wastage of food and wise use of water.		Classes I & II
		Students in Class 3 got creative by designing colourful menu cards that not only showcased their artistic skills but also promoted healthy food choices, fostering awareness about nutrition and balanced meals. In Class 4, students took on the role of budding advertisers. They created captivating advertisements for various food items, focusing on their nutritional values. Through these adverts, they encouraged people to choose and consume these items for a healthier lifestyle. The fifth-graders had a comprehensive approach to World Food Day. They meticulously planned an ideal lunch, considering the necessary nutrients for their age group. This activity not only taught them about balanced nutrition but also delved into the significance of BMI, helping them understand the importance of maintaining a healthy weight for a well-rounded diet.		Classes III-V

20 th October '23	Navratri Celebration	Children enjoyed dancing in traditional garba attire to celebrate Navratri.		Students of classes I & II
SPECIAL ASSEMBLIES				
5 th October '23	Special Assembly of Class Nursery D & Nursery E – My Colourful World	<p>The beautiful bright colours around us always bring happiness and cheerfulness in our lives. In the same manner, children of Classes Nursery D and Nursery E</p>  <p>brought pleasure and merriment by presenting their class assembly on the theme – My Colourful World. Significance of all the colours (VIBGYOR) was shared through Ramp Walk. The audience was mesmerized with finale performance on the song – ‘Colours all around’.</p>		Nursery & KG
17 th October '23	SPECIAL ASSEMBLY- Good Health and Well Being (II-G & I-A)	<p>A special assembly based on Sustainable Development Goal 3 (SDG Goal 3) ‘Good Health and Well Being,’ was showcased by the students of classes 1A and 2G. The focus of this assembly was to highlight the importance of a healthy mind and a healthy body, the unison of which ensures a healthy lifestyle. Exercise, healthy diet and sharing one’s emotions are instrumental to effectuate this goal in life. Students articulated the theme through exercises, dance, yoga and brilliant narratives bringing out the essence of the theme effectively.</p> 		Students of classes II-G & I-A
17 th October 2023	Special Assembly	<p>The students of 5-G delivered a compelling Special Assembly on the theme "Exploring Social Media: Pros and Cons." They creatively presented a skit titled "A Tale of Two Sides," vividly illustrating the impact of social media on society. The assembly reached its conclusion with an impressive rap performance dedicated to the subject of social media.</p> 		Class V
18 th October 23	Special Assembly	<p>Students of IV - G held a special assembly on the topic ‘The Importance of Skills’. The students presented their thoughts and insights on 21st century skills such as communication and teamwork. To make the assembly engaging and interactive, some students showcased their</p> 		Class IV

		talents through dance performances, art work, musical rendition and skit.	
19 th October 2023	Special Assembly of Class Nursery F & Nursery G – Books Our Best Friends	<p>The children of Nursery F and Nursery G conducted the assembly on 'Books Our Best Friends'. The assembly highlighted how books enhances language, vocabulary and imagination and are the best companion one can ask for. Children enthusiastically depicted it well through dance and drama</p> 	Nursery & KG
WORKSHOPS			
6 th October'23	Anveshika	<p>BVN-IAPT Anveshika , organized a workshop for the students of class 5 on October 6th, 2023. The workshop was conducted by the resource person Ms Pragya Nopany, a physics expert and resource person at NCERT and CBSE. She stimulated students to think differently, to be curious and question the things around, instead of accepting the given solution. Overall, students found the session to be highly interactive which helped them gain practical and conceptual knowledge. Students were divided into groups of four to conduct open-ended demonstration experiments with bottles. They were encouraged to perform, manipulate or modify the experiments according to their understanding, without fear of breaking or damaging the items.</p> 	Class 5
7 th October 2023	Parent Initiative	<p>A workshop on child nutrition was conducted for the parents of Classes 1&2. The guest of honour Ms. Purnima Thakur, Assistant Director, Quality Assurance (Ministry of health and family welfare) spoke about developing healthy food habits among children and also created awareness on checking the nutritional facts while buying various food products.</p> 	Students of classes I & II

7 th October '23	Offline Workshop	<p>Oxford University Press conducted a workshop on Multiple Intelligence for educators to interact and get tips and strategies to allow children to apply their academic skills in ways that support intellectual development, creativity, innovation, and problem solving , Experiential learning, Math skills and coding, Art integration in learning and Project based teaching.</p>  <p>It was an eye-opener and an inspiring workshop by eminent resource person Mrs. Champa Banerjee, which focused on introduction of the topics of science through everyday life and learning by doing small but interesting activities and experiments. The whole emphasis was on child-centered and experiential learning.</p>	Attended by teachers from Class II-V
7 th October '23	Offline Session	A counselling session for parents of kindergarten on ' Developing autonomy and empathy in young children ' was organised by the school counselor on 7th October. The session was interactive where parents had many questions related to inculcating values in their wards. They received practical solutions for learning and teaching acceptance as well as raising the bar of challenge for children's growth.	Parents of Nur-KG
9 th October'23	Offline Session	The school counselor talked on 'Appropriate gestures and it's impact ' A few students demonstrated acceptable and unacceptable gestures in school. Students were asked solutions for different scenarios. They enjoyed and learnt in this interactive session.	Class III-V
10 th October '23	Online Workshop	UNDERSTANDING INCLUSION (ECA-APER) Conducted by Dr.Mihir Parekh	Attended by teachers from Class Nur-V
26 th October '23	Online Session	Certificate Based Teacher Volunteering Programme for boosting career advancement – Orientation session	Attended by teachers from Class Nur-V
27 th & 28 th October '23	Offline Session	A two day conference on Leading way to early years education was organised by ECA - Aper in collaboration with IB schools. The first day of the conference included IB school visit to understand the Primary year program (PYP) . The participants were taken to Amity Global School, Gurugram. Here the participants visited the classrooms and saw live classes to understand about the program and later the co ordinator briefed about main features of PYP program like how the whole process of learning revolves around 6 themes, the motto of PYP is - voice- choice - ownership, and the focus is on inquiry based learning where students have to reflect on their learning. The second day of the conference at Lancers International School,Gurugram was dedicated to understanding how IB works in the Primary years incorporating the Principles of NEP 2020. The panel discussions highlighted the similarities and differences between them. The conference gave some good takeaways as to how a cbse school can incorporate few practices in their existing system to get better results in actualising the main points of NEP -2020.	Attended by HM ma'am Dr Amrita Singh
