Teaching Learning Methods-TLM

English

In **Class 3**, students explored the integration of art and language by creating imaginative mushrooms that showcased their understanding of articles. They actively engaged in portraying the proper use of "a," "an," and "the" before nouns.

In **Class 4**, students enthusiastically embraced the art of letter writing, crafting messages on traditional inland letters. They gained valuable insights into the proper format for both sender and receiver addresses, making it a truly enriching learning experience.

In **Grade 5**, exploring the Punctuation Family proved to be an enjoyable experience. Students not only crafted their own stories but also showcased their creativity, with some opting for vibrant comic strips and others expressing their artistic flair through unique presentation of punctuation marks.

Hindi

कक्षा तीन

हमारे सहायक- छात्रों ने विषय से संबंधित पोस्टर बनाकर जीवन में 'सहायकों' के महत्व पर अपने विचार व्यक्त किए।

कक्षा चार
