Dear Parents

Greeting from De Indian Fraternity!

Sub: Revised Circular in Context to the previous circular DIPS/Cir/2021-22/009

As per the judgment passed by the Hon'ble High Court of Delhi on 31.05.2021, the school is entitled to collect Annual and Development charges for the session 2020-21 with 15 % discount and complete fee for the session 2021-22.

However, we believe in maintaining an affable relationship and have always considered you as a part of the De Indian family. You have generously given your full support and assistance to the school in all our endeavours. We have a common aspiration of nurturing our child possessing values, intellect and ethics. All our efforts are initiated on expansion of potentiality of every child studying in our school. We are also of the opinion that productive collaborations between parents and school lead to positive connection.

You were required to pay the complete fee with Annual and Development charges in ten equal monthly installments for the session 2021-22. However, looking at the current pandemic which has hit hard our lives, the school management has very kindly given its consent with the waiver of Activity Fee, Smart Class Fee and I.T Fee for the session 2021-22 till the time schools are not functional physically for the students.

We humbly appeal that this wonderful partnership that we have developed between the parents and school should not get diluted and we continue to provide preminent services to you in terms of providing superior education to your ward.

You are hereby, requested to kindly refer the below given revised table to see the amount payable for Annual and Development fund for the session 2020-21 and fee for the session 2021-22. In case of any query, parents may contact the School Reception: 011-27050252/53/54, 47586215 or Mr. Saurabh: 8010368210 in Accounts Department. All matters will be dealt with due consideration.
