

ATL COMMUNITY DAY CELEBRATION 2019

ATL Community day 2019 was organised in the Vidyalaya on 14.4.19.

Students from the Vidyalaya and community participated in the marathon event.

Atal Innovation team also witnessed the event.

The objective of this event was to foster creativity and scientific temper in the children, to further cultivate spirit of curiosity and innovation among young minds.

Students performed many STEM activities. They also shared their ideas and tried to convert their ideas onto real time application. It was followed by an interactive session.

All the students were awarded certificate of participation.
