

REPORT ON SUMMER TINKERING FESTIVAL 2019

Atal Tinkering Lab of our Vidyalaya organized ‘Summer Tinkering Festival 2019’ from 29 May 2019 to 7 June 2019. 33 students of classes VI to XII participated in this festival. This was meant to bring out the scientific flair in students. During the festival students did various activities to get a hands on experience with the equipment in ATL. They performed various activities like designing a circuit, drilling, 3D Printing, Arduino Programming and Sussore Programming with sensors, soldering, Light Sensor Programming, Bibox Programing, solving brain teasers, brain puzzles, drilling and Augmented reality. Students were curious and enjoyed the tinkering festival.
