

PARIKSHA PE CHARCHA 2.0

Vidyalaya made arrangements for the 906 students of classes VI-XII to listen to the second edition of the programme 'Pariksha Pe Charcha 2.0' on 29.1.19.

Students heard hon'ble Prime Minister Sh. Narendra Modi interacting with students, teachers and parents in the national capital.

The interaction involved around the issues related to examinations. Hon'ble PM addressed several issues like depression, technology addiction, parental pressure apart from the tips on how to handle examination pressure.

PM requested the parents not to impose their unfulfilled dreams and aspirations on their children. He further emphasized on the need to manage time and have clarity of thought, faith and conviction. He also advised the students to express themselves without fear and educate themselves for life but not for marks.

Our Vidyalaya students felt extremely benefitted by the valuable suggestions of the hon'ble PM and promised to fare well in the examination without any stress or fear.
