## **EMBRACING THE ROOTS**

To honor & acknowledge the love, guidance and support extended by the grandparents to the children, Grandparents day was celebrated in the Vidyalaya.

The programme began with evoking the divine blessings through the lighting of the ceremonial lamp & recitation of Namokar Mahamantra. This was followed by several energetic dance performances by the tiny tots. 'Ramp walk' by grandparents mesmerized all.

Several fun games, dance by teachers made the gala event a huge success.

The event was truly a tribute to the tremendous influence and contributions of our elders in shaping our life, character and destiny.
