

JAIN BHARATI MRIGAVATI VIDYALAYA

REPORT ON EARTH DAY 22nd APRIL 2020

Earth Day is celebrated the world over to inspire awareness and appreciation for earth's environment.

Due to the ongoing lockdown the school may have closed but the learning hasn't stopped.

Reiterating its commitment to contribute in making The Earth a better place to live, Vidyalaya celebrated the 50th anniversary of Earth Day with great zeal.

Eco Club of Vidyalaya emphasized its commitment towards creating awareness to save earth's fragile environment by organizing following activities -

1. A message was released, pledging to work towards cleaner, healthier and more prosperous planet.
2. A student conveyed the need to take action regarding climate change through audio message.
3. An online quiz was conducted to promote awareness, love and respect for earth.
4. Students also expressed their concern and support through paintings.
