A Portal Of Myriad Miracles: With the mission to empower each and every child in order to enhance his/her performance and capabilities to achieve worthwhile purposes of life, JMV is remarkably striding towards the horizon of success. A sprawling 21 acres area on the periphery of Delhi houses the magnificent and majestic Vijay Vallabh Smarak Jain Mandir Tirth and Jain Bharati Mrigavati Vidyalaya is also situated within its pious precincts. Mission, Vision, Ethos, Core values and the teachings of revered Guru Vallabh & his disciple Sadhvi Shree Mrigavati ji Maharaj have swirled the flagship of the Vidyalaya to soar high.

The school prides in having a great infrastructure including an open Gym, state-of-the-art sports complex, ATL, Thinking Lab, Linguistic Lab, Reflection Room, Heritage Lab, an enriched library and various other laboratories and clubs which helps the students excel in diverse fields. In the garden of JMV, scores of seeds are nurtured into beautiful saplings through discovery of self with the deeply embedded roots of *Vinay, Vivek, Vishwas*, which is the Vidyalaya's motto and also sums up their educational philosophy.
