**REPORT ON WORLD ENVIRONMENT DAY**

**5 JUNE 2020**

Awareness being the key to change, World Environment Day is observed all over the world, each year on June 5 to stimulate enhanced attention and action to conserve the precious environment. Eco Club of the Vidyalaya organised a plethora of activities to make the students realize and appreciate that The Foods we Eat, The Air we Breathe and The Water we Drink - all together make the environment. Students of class IX released a creative video message pledging to respect and protect the environment while twenty eco-friendly practices were shared to emphasise on the little things that we can do to help in the endeavour.

Slogan Collage, Reduce- Reuse- Recycle, Save Water and Poster Making activities were organised in the Pre-Primary section while Paper Bag Making, Shoebox Bird House and Poster Making activities were participated in by the students of primary section. Senior students were made cognizant of enhanced significance of saving the environment through Face Mask and Reusable Cloth Bag Making Activity, online Quiz (471 responses), and Essay Writing competition. Through these activities Vidyalaya endeavoured to put across the message that This Environment Day, it's Time for Nature- The Rich and Precious Biodiversity. So, To Care for Ourselves, we must Care for Nature.
