Subject: Corona Virus Third Advisory

Dear Parent,

The ground work of all happiness is good health...L. Hunt

The school firmly believes in the well being of its co partners i.e. Parents and students. The above quoted thought is just an extension of our vision where we believe that the students can attain happiness when they remain healthy, active and energetic. It's a fact that the healthier you are, the better you will perform. In this endeavor again, the school wishes to share a Comic strip on preventing the novel Corona Virus flashed on CBSE website http://cbse.nic.in/newsite/attach/Corona_comic_PGI_final9March20.pdf

This comic strip has been prepared by the Ministry of Health, Government of India. It can be a help in explaining the preset scenario to little children. Please share the same with kids so that a general awareness can be spread to all as we all know that awareness is the greatest agent for change.

Looking forward for your prompt cooperation.
