Greetings of the Day!

The pandemic situation has elevated apprehension and despair all around, where the well being is the need of the hour. Despite the circumstances we believe in remaining associated and strive hard for the holistic well being of our students.

During the summer Break we shall be engaging them in different activities to enhance their quest for knowledge and the spirit of enquiry. A plan of the activities has been attached herewith for your reference. Section wise time table will be shared on the school website.

We seek your cooperation in the implementation of these fun filled activities so that the learning gaps are minimized. We pray for the better health of every individual and request your good self to follow the Covid -19 etiquettes in the general interest.

Kindly note the following:

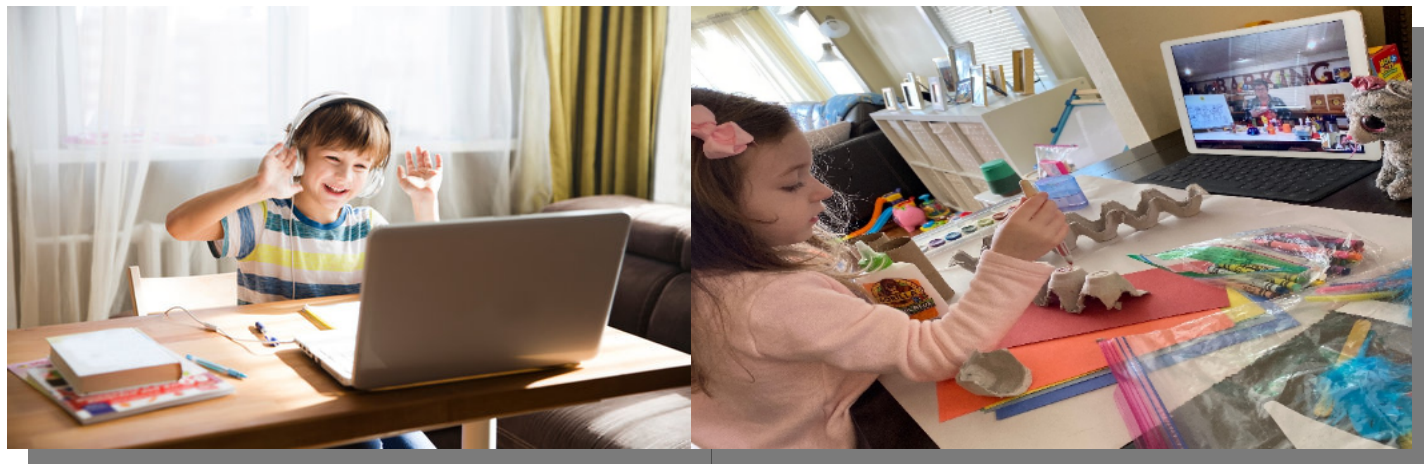

- 1. The Summer Fun Fiesta will commence from 26th April 2021 and will continue to 31st May 2021.*
- 2. The children are provided with creative and innovative activities to encourage them to explore the concepts beyond the facts.*
- 3. For any academic assistance, the parents can contact the respective Class or subject teachers between 12 noon to 02 pm.*
- 4. We appreciate for your quality time being spent with the students.*

With the hope that during these testing times we all unite to provide the conducive environment to our children and protect them from the undesirable impact. We once again look forward to your unconditional support.
