

NEW GREEN FIELD SCHOOL SAKET

Date : 01.02.2019

As per programme of the Government of India deworming dose (tablet) has to be administered to all the students of the school. As per clarification given by the Government Authorities, the deworming dose is safe and is free from any harmful effects.

However, if for any reason, you do not want your ward to have this dose, you should give your objection with reasons for the same.

If objection letter (enclosed) is not brought by your ward on 08.02.2019, the dose shall be administered to him/her.

PRINCIPAL

OBJECTION LETTER

I _____ father/mother of _____ student of class _____ have objection to the administration of deworming dose to my ward in the school on 08.02.2019 for the following reasons :-

Signature of Parent
