It's time to have some fun with the Tricky words. Look at the Tricky words in the magazines or newspaper. Circle them/cut them and paste them on an A4 size sheet with the help of your parents.

Tricky Words

Happy Planet

“Take care of the Earth and she will take care of you”

We all love our mother Earth and should take care of it by planting more trees, saving water and electricity, saying no to plastic, following 3R's-Reduce, Reuse and Recycle etc.

Make your own Happy Planet book by drawing, cutting and pasting pictures from old magazines or old newspaper of the things you feel will make it a Happy Planet.

Coloring is so much FUN, let's color the picture
