Dated 04:05:2020.....

Dear Parents,

Hope you and your dear ones are doing fine and taking full precautions in the light of current situation.

The teachers and the staff of your school are working very hard to provide students with online teaching for some classes and teaching through whatever means we have at our disposal at the moment.

The Government has ordered to pay all the teaching and non teaching staff and this cannot be done without the support of you all.

As per Govt. orders schools have been asked to charge only Tuition Fee for the lockdown period therefore we request you to kindly deposit the tuition fee for the month of April by 15/05/2020 and for the month of May by 31/05/2020.

The payment can be made online/school app or through cheque.

1. To pay fees online go to www.ngfjsmalviyanagar.com login with admission no. as Enrollment no. and DOB as password.

2. If paying by cheque, it should be drawn in favour of NGF JUNIOR SCHOOL mention student name, admission number, class and your contact number at the back of the cheque and drop it in the drop - box at the school gate.

Your cooperation and understanding will go a long way in maintaining qualitative standards and future endeavours being initiated at our end.

With Best Wishes

(Principal)
